## Professional Experience

Developer Intern • **Taikisha Engineering India Pvt. Ltd.**

Gurugram, India • Jun 2025 - Aug 2025

- Developed the TEI Support Portal (app and website) for Skoda, integrating technical documents, instructional videos, and part ordering features to streamline industrial support.
- Implemented QR code generation, automated part request emails, and secure document sharing, enhancing user experience and operational efficiency.

## Projects

POWERSENSE DASHBOARD •

<https://github.com/Aayushman120205/powerdash>

[HTML](#) [CSS](#) [JavaScript](#) [Chart.js](#) [Django](#) [Django REST Framework](#)

- Developed a Django-based dashboard with REST APIs and Chart.js to monitor real-time temperature, humidity, voltage, and current data.
- Visualized data using interactive line and pie charts for daily to yearly insights, improving data accessibility for users.
- Integrated data entry via APIs and planned Weather API auto-updates to enhance automation.

TEI SUPPORT APP • [https://github.com/Aayushman120205/qrcode\\_scanner\\_app](https://github.com/Aayushman120205/qrcode_scanner_app)

[React Native \(Expo\)](#) [JavaScript](#) [Django](#) [Django REST Framework](#) [SMTP](#) [Token Auth](#) [QR APIs](#)

- Engineered a cross-platform app using Expo React Native and Django REST APIs for the TEI Portal, featuring secure authentication, QR-based document access, and dynamic role-based screens.
- Implemented categorized viewers, in-app email composer, order system, file uploads, and camera integration with role-level access control to improve usability and security.

SOCIAL ECHO • <https://github.com/Aayushman120205/SOCIALECHO>

[MERN \(MongoDB, Express.js, React.js, Node.js\) stack](#) [Perspective API](#) [TextRazor API](#) [Hugging Face Interface API](#)

- Developed a social networking platform using the MERN stack, featuring automated content moderation and context-based authentication.
- Enabled profile creation, post sharing, liking, commenting, and user following/unfollowing, enhancing user engagement and safety.
