EDUCATION

Course	College / University	Year	CGPA / %
B.Tech (Information Technology)	Netaji Subhas University of Technology	2027	8.3
Board (Class XII)	Rahul Public School, Delhi	2023	88
Board (Class X)	O.P. Jindal Modern School, Haryana	2021	94.8

INTERNSHIP

- **Software Developer Intern | Taikisha Engineering India Pvt. Ltd.** 13/06/25 - 13/08/25
 - Contributed to the development of the TEI Support Portal (web and mobile application) for Skoda, implementing secure document management, technical documentation, instructional video access, and part ordering workflows.
 - Developed features including QR code generation, automated part request email workflows, secure document sharing, and REST API integration, improving accessibility and streamlining internal support operations.

PROJECTS

- **AI-Powered CI/CD Auto Fix Bot | [Github Repository](#)**
 - Built an AI-powered self-healing CI/CD bot that detects GitHub Actions failures via secure webhooks (HMAC-SHA256), uses AI model to diagnose errors and generate targeted code fixes, validates them in an isolated Docker sandbox, and automatically opens a Pull Request — fully autonomous end-to-end.
 - Designed a multi-phase async pipeline (log fetch → AI analysis → sandbox validation → PR creation) with MongoDB-backed metrics and a real-time analytics dashboard showing success rate, fix time, token usage, and 14-day trend charts.
 - **Tech stacks - Backend:** Node.js, Express.js **AI:** Google Gemini 2.5 Flash **Database:** MongoDB Atlas **Frontend:** HTML, CSS, JavaScript **DevOps:** Docker, Railway **Integrations:** GitHub REST API, GitHub Webhooks
- **TEI EMPLOYEE PORTAL APP | [Github Repository](#)**
 - Developed a cross-platform employee portal application using React Native (Expo) with secure token-based authentication, role-based access control (RBAC), and REST API integration.
 - Implemented QR code generation/scanning, secure document access, PDF viewing, file uploads, camera integration, order management, in-app email functionality, and persistent authentication using AsyncStorage.
 - **Tech Stack:** React Native (Expo), JavaScript, Django, REST APIs, Token Authentication, Axios, SMTP, AsyncStorage
- **SOCIALECHO | MERN SOCIAL MEDIA PLATFORM | [Github Repository](#)**
 - Developed a full-stack MERN social media platform with JWT authentication, role-based access, communities, posts, likes, comments, follow/unfollow, and secure REST APIs.
 - Built a real-time one-to-one messaging system using Socket.IO with persistent conversations, live message delivery, online presence, responsive chat UI, and conversation management.
 - Integrated AI-powered content moderation using Perspective API, TextRazor, and Hugging Face for toxic content detection and contextual text analysis.
 - **Tech Stack:** MongoDB, Express.js, React.js, Node.js, Redux, Socket.IO, JWT, Passport.js, Perspective API, TextRazor API

ACADEMIC ACHIEVEMENTS

- Solved 700+ DSA problems on **LeetCode**, achieving a contest rating of **1897 (Knight)**, along with 300+ problems on **Code360**.
- **1st Runner-Up** in a college Hackathon organized by the Dcode(Coding) Society, competing against multiple student teams.
- Well qualified and secured **99 percentile** in JEE (Main) and cleared JEE (Advanced) — one of the world's toughest exams.

TECHNICAL SKILLS

- **Programming Languages:** Java (Proficient), C, C++ (Beginner), Python
- **Web Development Tools:** HTML, CSS, JavaScript, Django, Node.js, Express.js, React.js, MongoDB, MySQL
- **App Development Tools:** React Native (Expo)
- **AI/ML Tools & APIs:** Google Gemini API, Hugging Face Inference API, Perspective API, TextRazor API
- **DevOps & Cloud:** Docker, GitHub Actions, GitHub Webhooks
- **Relevant Courses:** DBMS, OOPs, Data Structures and Algorithms, Operating Systems, Computer Networks, Software Engineering, Artificial Intelligence, Mobile Computing, Cloud Computing, Machine Learning.

POSITIONS OF RESPONSIBILITY

- **Logistics Coordinator | MOKSHA CULTURAL FEST, NSUT**

- Managed vendor interactions and maintained smooth on-ground operations during the fest.
 - Assisted in budgeting and resource allocation for logistical needs to optimize efficiency and cost.
- **Society Coordinator | TEAM KALPNA SOCIETY, NSUT**
 - Conducted several events each week.
 - Successfully managed the events under the MOKSHA '23.
